- Tuesday, March 5

See flyer for more information: English | Spanish

Email PIEC@ssw.umaryland.edu to have any trainings or coaching activities that you are doing added to this section of the newsletter.

Professional Development

Maryland Family Network Request for Proposal

Maryland Family Network (MFN) is issuing a Request for Proposal ("RFP") seeking qualified Vendors who have consulting experience in finding and analyzing demographic data to inform MFN's Child Care Demographics and MFN's Trends in Child Care.

MFN's Child Care Demographics breaks down statewide information about demand, supply, and cost of child care in Maryland. This reports is the only one of its kind in Maryland and informs policy makers, parents, and professionals about the latest data and trends in the field of child care. You can view the 2018 Child Care Demographics at: http://www.marylandfamilynetwork.org/demographics/.

MFN's Trends in Child Care, provides historical and anticipated trends. You will find the 2019 Trends in Child Care at http://www.marylandfamily.network.org/resources/trends-child-care/.

Work on this project will commence on February 25, 2019 and continue through May 31, 2019.

Consultant shall be experienced in the business of researching, organizing, and analyzing population data and/or related areas. Documentation of this experience should be noted in the response.

It's Time for Statewide Full-Day, Pre-Kindergarten

It's time for statewide full-day, pre-kindergarten

The good news: The number of Maryland students prepared for kindergarten jumped two percentage points from last year, according to a new state report. The bad news: More than half still don't have the emotional, behavioral and academic skills to...
